

FROM THE LEADERSHIP TEAM

The Annual Church Meeting duly took place and the stewards, our treasurer and our church secretary remain the same.

Barbara McAleer has joined the church council.

We do not have a missions secretary if anyone feels they could take this on speak to a steward.

We have now set up a table for coffee after the service and mask wearing is optional.

After the Pentecost Service we had our bring and share lunch when we raised a glass of apple juice in a toast to the Queen and enjoyed a selection of savouries, cakes and a lemon flavoured trifle. Thanks to everyone who helped with clearing away and washing up.
