

CHURCH NEWS

Sadly we have heard of the death of Hilda Gard so soon after her husband Ron. We think of all her friends at this sad time.

The Harvest Festival Service was directed to the Liphook Food Bank and we thank you for your generous response including £70 which was all gratefully received.

The Church Council has met, received reports from our church organisations and the circuit and approved our budget for the next year. We shall be serving soup from the church on carnival night for the last time and any help on the evening of the 29th October would be much appreciated.
