

## **FROM THE LEADERSHIP TEAM**

The Communion Service taken by Rev. David Musckett included the Covenant Service and we also welcomed a new member Gill into our congregation. There was also the opportunity during the service to thank the pastoral leaders and hand over the membership cards for distribution

The Harvest Service was led by Milly Aquilina-Grey on her last visit to us and a big thank you to the congregation for supporting the Liphook Food Bank with your gifts and also Janet for her usual lovely arrangement on the altar table. We are so grateful to Rev. Marion Warren who has taken a service every month recently and to Celia Withers who paid her first visit to us from Gosport and the beginning of the month. Services have also been led by the Rev. Bill Stillwell another first time visitor and Wendy Corney a frequent visitor with her beautiful slides.

When John Powell was unable to come, the leadership team covered for him using his choice of hymns and readings with thanks to Chris for getting us organised.
