

## **FROM THE LEADERSHIP TEAM**

Local Preacher Lorraine Valler from Haslemere visited our church for the first time at the end of April and returned to take another service for us on the first Sunday in June. We hoped she felt welcomed into our church community and that she may be planned with us again in the future.

To make an impact for Pentecost some percussion instruments were used during one of our hymns at the service with Alison Rice. They made a most effective presence to the impact of the readings.

The possibility of Christmas Cards from photographs of our candle circles from the Carol Service has been found to be not cost effective. They could now be used as the collage on the front of the church Christmas Card we all sign to save us sending cards to congregation at Christmas. It is also a fund raiser as the money saved from the cards we do not need to buy is given to the church.

At his service on Sunday Dave did mention 24-7 Prayer Guide leaflet available on the table in the foyer with prayers specifically for the election. Feel free to take a leaflet and there maybe other pamphlets on the table please take any that may be of interest.
